

Goodrx Cipro Otic

Goodrx Cipro Otic is a prescription antibiotic ear drop used to treat bacterial infections of the ear.

It contains the active ingredient ciprofloxacin, which is a fluoroquinolone antibiotic.

Goodrx Cipro Otic is available as a 0.3% solution in a 10 mL bottle.

It is used to treat bacterial infections of the ear, including otitis media with effusion.

Goodrx Cipro Otic is also used to treat bacterial infections of the ear canal.

It is important to use Goodrx Cipro Otic exactly as directed by your healthcare provider.

Do not use Goodrx Cipro Otic if you are allergic to ciprofloxacin or any of the other ingredients.

Goodrx Cipro Otic may cause side effects, including dizziness, headache, and nausea.

It is important to tell your healthcare provider if you are taking any other medications.

Goodrx Cipro Otic is a prescription medication and should be used only as directed.

For more information, please consult your healthcare provider or the product information.
