governments must make a judgment as to the length of exclusivity that best balances the need to provide an incentive for innovation with the need to control healthcare costs

he beat the mark of 2:04:38 set by ethiopias tsegaye kebede last year

in observation one begins to discover the lack of freedom

i often wonder, however, whether the public understand that that success is entirely due to the fact that he did not accept their standard, but realised his own

however, volumes in the mail services business were ahead of last year.

at my age i dare not move from this rubber bathtub for the duration of our voyage
